ASCENDANT FINANCIAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2018

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization and business

Ascendant Financial Partners, LLC (the “Company”), a Colorado limited liability company, was formed in August 2006 and began operating as a licensed broker-dealer in May 2007. The Company is wholly owned by Ascendant Partners, Inc. (the “Parent”). Ascendant Consulting Partners, LLC (“ACP”) is also wholly owned by the Parent. Other than direct broker dealer expenses and an expense sharing allocation between the Company and ACP, all payroll and overhead expenses are incurred by and paid by ACP.

The Company's operations are headquartered in Greenwood Village, Colorado.

The Company will be economically dependent upon the financial support of its Parent should it fail to achieve profitable operations. The members of the Parent have committed to provide the Company with such financial support, personally or through another appropriate entity so long as the Parent, the Company and affiliates maintain the same relationship.

The Company is a registered broker-dealer subject to the rules and regulations of the Securities and Exchange Commission and the Financial Industry Regulatory Authority, Inc. The Company provides investment banking and advisory services to clients primarily in the renewable energy, food and agribusiness industries. The Company does not hold customer funds or securities.

Revenues for contracts with customers

Revenues from contracts with customers are composed of investment banking fees. Such fees are recognized at the point in time when the Company's performance under the terms of the contractual arrangement is completed, which is typically at the closing of the transaction. Reimbursed expenses related to these transactions are recorded as revenue and are included in investment banking fees. In certain instances, for advisory contracts, the Company will receive amounts in advance of the deals' closing. In these instances, revenue is recognized over time in which the performance obligations are simultaneously provided by the Company. At December 31, 2018 there were no advances to the Company.

15c3-3 Exemption

The Company, under Rule 15c3-3(k)(2)(i) is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts.

ASCENDANT FINANCIAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2018

Cash and cash equivalents

For purposes of the statement of cash flows, the Company considers money market funds with original maturities of three months or less to be cash equivalents.

Allowance for doubtful accounts

Accounts receivable consists of amounts due from clients for investment banking services. The Company's management periodically assesses its accounts receivable for collectability and establishes an allowance for doubtful accounts and records bad debt expense when deemed necessary.

Income taxes

Because the Company is a limited liability company, it is not subject to income taxes. Instead, the member is taxed on the Company's taxable income, whether or not distributed. Therefore, these financial statements do not reflect a provision for income taxes.

The Company is required to determine whether a tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any tax related appeals or litigation processes, based on the technical merits of the position. The Company files an income tax return in the U.S. federal jurisdiction, and may file income tax returns in various U.S. states. The Company is not subject to income tax return examinations by major taxing authorities for years before 2014. The tax benefit recognized is measured as the largest amount of benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement. De-recognition of a tax benefit previously recognized results in the Company recording a tax liability that reduces net assets. However, the Company's conclusions regarding this policy may be subject to review and adjustment at a later date based on factors including, but not limited to, on-going analyses of and changes to tax laws, regulations and interpretations thereof. The Company recognizes interest accrued related to unrecognized tax benefits and penalties related to unrecognized tax benefits in income taxes payable, if assessed. No interest expense or penalties have been recognized as of and for the year ended December 31, 2018.

Concentrations

During the year ended December 31, 2018, 3 clients accounted for approximately 69% of the Company's total investment banking and advisory service revenue. At December 31, 2018, there was \$10,000 of outstanding accounts receivable from one client and \$500 from a related party.

ASCENDANT FINANCIAL PARTNERS, LLC

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2018

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. At December 31, 2018, the Company had net capital and net capital requirements of \$6,400 and \$5,000, respectively. The Company's net capital ratio (aggregate indebtedness to net capital) was 0.08 to 1. According to Rule 15c3-1, the Company's net capital ratio shall not exceed 15 to 1.

NOTE 3 - COMMITMENTS AND RELATED PARTY TRANSACTIONS

Under an expense sharing agreement, the Parent, through ACP, provides substantially all of the general and administrative services to the Company. The Parent allocates expenses on a reasonable allocation basis directly based upon usage by the Company of the Parent's and ACP's property, personnel, rent and other services. These expenses are charged to the Company on a monthly basis and are recorded in the Company's financial statements. For the year ended December 31, 2018, the Company was charged a total of \$18,228 by the Parent under an expense sharing agreement between AFP and ACP and \$1,257,919 for management and other services. The amount is determined by the Company's management. As of December 31, 2018, the amount owed to the Company's Parent for general and administrative services was \$500.

The Company received \$6,000 from a registered representative to cover expenses associated with carrying his license for the year ended December 31, 2018, which is included in other income. The commissions paid to the registered representative were \$154,625 and reported in the Statement of Operations.

NOTE 4 - FINANCIAL INSTRUMENTS, OFF-BALANCE SHEET RISK AND CONTINGENCIES

The Company's financial instruments, including cash and cash equivalents and accounts receivable are carried at amounts that approximate fair value due to the short-term nature of those instruments.

NOTE 5 - COMMITMENTS AND CONTINGENCIES

The Company does not have any commitments or contingencies.

NOTE 6- SUBSEQUENT EVENTS

The Company has performed an evaluation of subsequent events through the date the financial statements were issued. The evaluation did not result in any subsequent events that required disclosure and/or adjustments.

NOTE 7 – RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENTS

On January 1, 2018 the Company adopted ASU 2014-09 Revenue from Contracts with Customers and all subsequent amendments to the ASU (collectively, “ASC 606”) using the modified retrospective method of adoption. ASC 606 created a single framework for recognizing revenue from contracts with customers that fall within its scope. Under ASC 606 revenue is recognized upon satisfaction of performance obligations by transferring control over goods or service to a customer. The adoption of ASC 606 did not result in any changes to beginning retained earnings for the year ended December 31, 2018 or net income for the preceding year end.
